ShingleMaster™

This is to certify that

Integrity Windows Siding & Roofing

is hereby recognized as a **ShingleMaster™**,
and therefore can offer the **SureStart™ PLUS 3-STAR and
4-STAR Coverage warranty extensions.**

This company has achieved ShingleMaster™ status by employing a Master Shingle Applicator™ qualified workforce (including one job supervisor and at least two installers) or by attending a ShingleMaster Credential Course.

The Master Shingle Applicator qualification is based on the CertainTeed Shingle Applicator's Manual test. This publication discusses the complex requirements and recommendations for the installation of a high-quality shingle roof system. The ShingleMaster Credential Course covers an overview of CertainTeed roofing products, proper application standards, and a review of shingle technology and quality. Renewal is required every two years.
